1 Test \begin{scontents} with minted

Test {scontents}

2 See \jobname.tsc

Read \jobname.tsc (shows TABs as red arrows):

```
Using \verb+scontents+ env no \verb+[key=val]+, save in seq \verb+contents+
with index 1.\par

Prove new \Verb*{ new fvextra with braces } and environment \verb+Verbatim*+
\begin{Verbatim}[obeytabs, showtabs, tab=\rightarrowfill, tabcolor=red]
No tab
————→One real tab
————→————→Two real Tab plus ————→one tab
\end{Verbatim}
```

3 Test \Scontents with minted

4 Test \getstored

Using scontents env no [key=val], save in seq contents with index 1.
Prove new ␣new␣fvextra␣with␣braces␣ and environment Verbatim*

```
No tab
————→One real tab
————→————→Two real Tab plus ————→one tab
```

We have coded
this in LaTeX: $E = mc^2$.
